The value of the Summer Social Register, issued early in July, consists in its being the only means of ascertaining the scattered addresses of prominent families during the Summer months when communications addressed to the winter residence will not reach them.

It contains the country or foreign address of prominent families of New York, Philadelphia, Chicago, Boston and Baltimore.

THE SOCIAL REGISTER is issued in August, November, February and May. The November issue contains the names and addresses of the several members of prominent families, grouped together, the clubs to which they belong and the marriage, death and European arrival and departure of each person as may occur.

The subscription is \$5.00 per annum for any city.

A subscription of \$10.00 will include all the issues for New York, Philadelphia, Chicago, Boston and Baltimore.

Information for November issue should be received before October 20.
